We will **INSPIRE** a community of diverse learners through collaboration and accountability

so our children will **SUCCEED** in a global society.

***A Note from our Principal . . .***

Happy May!

As we come to the close of another school year, we would like to reflect upon all the challenges, accomplishments, and new learning opportunities of our wonderful Tavelli students.

First, thanks to all of you for sharing your children with us. This last year we have all had a steep learning curve as we worked together to learn remotely. I want to thank our teachers, staff, students, and families for coming together and making the best of a very hard situation. I am in awe of how hard we worked together this year in helping our students learn. The partnership created through this year has been truly incredible.

In addition, we would like to thank all our parents for communicating and keeping children home when they did not feel well. This was instrumental in keeping our students in school and learning during a pandemic. I am so proud of our students for their grit as they navigated our school protocols, wearing masks and cohorting with their class. We know that this year has been difficult, but our Tigers were truly amazing.

## A Note from our Principal . . .

As we finish the year, we are trying to bring some normalcy to our school with the 19<sup>th</sup> Annual Duathlon, Walkathon, Book Fair, and our 5<sup>th</sup> grade promotion. Even though these events look different than past years', our goal is to provide these traditional school opportunities for our students as we finish the year.

As we look forward to next year, we will be communicating with our families late in the summer on what protocols will be in place for the 2021 -22 school year.

Enjoy this last month of school. Have a wonderfully fun-filled and safe summer.

See you in the fall.
