Kindergarten Registration -- Online registration will be open for incoming Kindergarten students for the 2021-2022 school year beginning today. Parents can log onto <https://www.psdschools.org/kinder> for information concerning Kindergarten. The link to the online registration is also included on that page. Please make sure to download your proof of address, birth certificate and immunization records when you register your child. Without those documents, registration isn't considered complete.

School of Choice – The School of Choice deadline is noon January 15th. If your student has already been accepted as a school of choice student, there is no need to reapply. However, if you have younger children interested in attending Tavelli, or if you have moved out of our attendance area within this school year and are still interested in attending school next year at Tavelli, you will need to fill out the application for next year. Please go to this site: <https://www.psdschools.org/schools/school-registration> and click on the link to School Choice.

First Semester Report Cards – Student report cards will be available on ParentVue Monday, January 11th after 4:00 p.m.

Keyboarding Contest News -- The Keyboarding Practice Time Contest is heating up for most grade levels. We have some new winning classes for the December contest. Winners were as follows: Ms. Gomez, 1st grade; Ms. Vasquez, 2nd grade; Ms. Carr, 3rd grade; Mr. Woodroof, 4th grade, and Mrs. Coleman's class won in 5th grade. Congratulations to the winners! The January contest is underway! Battle #3 for the Golden Keyboard contest will begin January 19th. Keep practicing! Complete standings and scoring can be seen on Mr. Deakin's grade level learning pages.

Computer Science News -- Students in all grade levels have been participating in different activities and projects on the computer in addition to keyboarding for Computer Science class. 3rd-5th grade students completing all their projects will gain access to our Encore online store and be able to spend their points like money to buy various goodies. Ask your 3rd-5th grade student to show you their point totals and assignments in their Computer Science Google Classroom.

Library News -- We have an additional E-Book library available to us called Sora. You can download the app on your device or go to the website from a computer to browse hundreds of great books. To sign in, go to the bottom of the Tavelli library page, <https://sites.google.com/psdschools.org/tavlibrary/home>, sign into Sora with your student's PSD account credentials via Clever, and enjoy!
