Students Arriving Late to School – If your child is arriving after 8:50, we ask that you drive to the front of the building and have them enter school through the front doors. There is no supervision for students in the back loop or at individual classroom doors after this time and all exterior doors are locked. Thanks for your help in this matter.

Online Registration in PSD – Online registration is open for students new to Poudre School District for the 2021-2022 school year. Parents can log onto <https://www.psdschools.org/onlineregistration> for information concerning the registration process. Please make sure to download your proof of address, birth certificate and immunization records when you register your child. Without those documents, registration is not considered complete.
