Moby Math March Madness -- Tavelli students participated in the Moby Math March Madness challenge during the month of March. Students worked to complete math problems to earn prizes. As a school, Tavelli students have completed 238,246 problems correctly in Moby Math this year! Our overall individual winner was Satori Erickson who completed 1,366 problems during the month of March! She was awarded a medal and a set of speed cubes. We also recognized Ms. Gomez's class for completing 14,361 problems in math & numbers modules. Mrs. Merrill's class was recognized for completing 4,014 problems. Each student in these classes received Galaxy Slime to celebrate their success. Congratulations to all the students who participated in this program. Great job everyone!

Tavelli Celebrates Arbor Day – The city of Fort Collins has chosen our school to receive 12 large trees which will be planted near our new playground. Students will be celebrating Arbor Day with some fun activities throughout the day. Every 5th grade student will be coming home with a small seedling.

Office Depot/Office Max Give Back to Schools Program – If you shop at Office Depot or Office Max and mention Tavelli at checkout, we will receive 5% back in credits towards free supplies. One more way to earn money for our school! 🌸

PTO Sponsors Caps 4 Cash – If you receive milk from Morning Fresh Dairy, the caps can be returned to Tavelli for cash. We accept Morning Fresh Caps only, and they must be clean. In addition to the caps, Morning Fresh will give Tavelli \$25.00 per person that sign up for new home delivery. The only stipulation is the customer must receive home delivery for a month and be current on the balance. In order for our school to receive the \$25.00, you must use Tavelli as your reference for signing up. 🌸

Following Public Health Guidelines, PSD to Allow Voluntary Shortened Quarantines -- PSD believes access to education is critical to student success. As allowed by [county](#) and state public health guidance, PSD staff and students can voluntarily end their quarantines early if they meet strict criteria and are approved by PSD COVID-19 Response Teams to do so. This goes into effect March 22 and is a change from PSD's previous protocols. Process information and criteria are available on the [PSD Protocols for COVID-19 web page >>](#)

CMAS Testing is Approaching! – The Colorado Measures of Academic Success testing window opens in April. Tavelli will be administering this standardized test to students in grades 3-5. We will be testing Tuesday-Thursday mornings in grades 3-5 the weeks of April 19th and 26th as well as May 3rd and May 10th. If possible, we encourage parents to schedule appointments and days out of school around these times. Thanks for your support.

Students Arriving Late to School – If your child is arriving after 8:50, we ask that you drive to the front of the building and have them enter school through the front doors. There is no supervision for students in the back loop or at individual classroom doors after this time and all exterior doors are locked. Thanks for your help in this matter.

Online Registration in PSD – Online registration is open for students new to Poudre School District for the 2021-2022 school year. Parents can log onto <https://www.psdschools.org/onlineregistration> for information concerning the registration process. Please make sure to download your proof of address, birth certificate and immunization records when you register your child. Without those documents, registration is not considered complete.

Last Day of School – Wednesday, May 26 is the last day of school for the 2020-2021 school year. That day will be a half day for students, and they will be released at noon. No lunches will be served on that day; buses will pick up those students who have bus transportation.
