Are You Returning to Tavelli Next Year? – As we go through the class-building process for next year, please let us know if your child will not be attending Tavelli next year. Please give us a call in the office, 488-6725. Thanks for your help!

Semester Ends May 26 – Since the final day of the semester is Wednesday, May 26th, report cards will be available online Friday, May 28th in Parentvue.

Last Day of School – The last day of school for Tavelli students is Wednesday, May 26th. That will be a half day for students, with dismissals being at 12:18 for K-2 and 12:28 for 3-5. Buses will run, however no lunch will be served.

Donate to the Walkathon – It is not too late to donate! If you are able, please consider donating to the PTO in your child's name for the walkathon; due to the rain this week, we have extended the walkathon through next Wednesday. You can drop a check or cash off in the office, send it in with your child, or donate on the PTO website. <https://www.tavellipto.com/> This year we are hoping to raise funds to build phase two of our playground, which includes a tower and fun slide. Our goal for this project is \$13,000. We hope to have the tower in place by the beginning of school in the fall. Thanks for your help! 🐾

Thank You For Supporting the Scholastic Book Fair – Thanks to all who supported our book fair, \$7,700 was spent getting books into children's hands. Happy reading! 🐾

Transportation for the 2021-2022 School Year – The PSD Transportation Department is planning to run buses at full capacity next year, pending information from the Health Department. Currently, the transportation department is looking at requiring all riders to register to provide a better idea of the number of routes needed. There are currently no plans to accommodate School of Choice or Alternate Transportation plans. Please check the PSD website frequently over the summer for transportation updates. <https://www.psdschools.org/programs-services/transportation>

Have a Fit Family Summer – UC Health is sponsoring the Fit Families Summer Challenge 2021—a modified version of Fit Families FITPASS program. Registration is free -- families will receive a tracking calendar with a menu of fun, family activities to complete on their own over the course of the summer. You will also receive a FITPASS membership card—good for a number of discounted activities including climbing walls, golf, stand up paddle boarding and free days at the Farm at Lee Martinez. Families who participate in 25 activities by August 15 will receive Fit Families Summer Challenge 2021 t-shirts and an entry into a prize drawing. Click this link to register:

Please Keep Your Children Home When They Are Sick – Although it has been a challenging year, we appreciate all your efforts keeping your sick children at home. Please continue to do so, even if you think the symptoms are mild and unrelated to COVID; with cases on the rise in Larimer county, we must remain vigilant to keep all students and staff healthy. Thanks for your help throughout this year.

Students Arriving Late to School – If your child is arriving after 8:50, we ask that you drive to the front of the building and have them enter school through the front doors. There is no supervision for students in the back loop or at individual classroom doors after this time and all exterior doors are locked. Thanks for your help in this matter.

Online Registration in PSD – Online registration is open for students new to Poudre School District for the 2021-2022 school year. Parents can log onto <https://www.psdschools.org/onlineregistration> for information concerning the registration process. Please make sure to download your proof of address, birth certificate and immunization records when you register your child. Without those documents, registration is not considered complete.

Last Day of School – Wednesday, May 26 is the last day of school for the 2020-2021 school year. That day will be a half day for students, and they will be released at noon. No lunches will be served on that day; buses will pick up those students who have bus transportation.
