Registration begins May 22nd either at the library or online at [poudrelibraries.org](http://poudrelibraries.org). The challenge is free, features prizes for reading, emphasizes STEM learning and provides exciting opportunities to learn and read together. Children who read or are read to during the summer months retain their knowledge from the school year much more effectively than those who don't. More information is coming home today!
- 5. Please Return Your Library Books –**Please make sure to return ALL your Tavelli Library books by Friday, May 19. The library loses about 100 books a year due to our students not returning them. Thanks for your help keeping our library full of good books!
- 6. This Summer 5th Graders can Golf for Free at all Three City of Fort Collins Golf Courses.** Collindale, Southridge and City Park Nine will offer free green fees to all current 5th graders. Children currently enrolled as 5th graders (2016/2017 school year) qualify for the offer. The offer was created to help increase exposure to the game of golf while increasing golf rounds played by children. The offer will be active from June 1 to August 31. Children must be accompanied by a paying adult golf partner who is actively playing a round of golf with the child. The City felt it was important to require an "adult playing partner" so adults can mentor and teach children about the game while sharing valuable time with them on the course. For more information please visit [fcgov.com/golf](http://fcgov.com/golf) or 970.221.6300.

**7. Does Your Student Have Medication in Our Health Office?** – If so, please make plans to pick up your student’s medication on or before the last day of school. Medications cannot be sent home with students at the end of the school year. The last day of school is Friday, May 26<sup>th</sup> and dismissal is at noon. Any medications left in the Health Room after that time will be delivered to the DEA for proper disposal. Thank you for your help in this matter!
